

LAXEY SCHOOL RECEPTION

A Message from Miss Evans

Dear Reception children,

I have prepared a pack of learning activities for you to work on with some help from your parents while you are isolating at home. This will continue to challenge you and will help to keep your learning on track for when you come back to school.

In the pack I have included a daily routine which looks like a timetable. This will help you continue to learn and practise the variety of things that we focus on every day at school. If you click on the words on the timetable it will take you to the activities! If you find it easier, you can click on the links in the "Resources" section at the bottom of the website page.

Remember to take breaks too - just like when we have playtime at school!

If you need to ask any questions or if you would like to share photos or pieces of work that you have completed, please feel free to contact me on kirstenevans@online.sch.im

Stay safe and look after each other.

I am looking forward to seeing you again soon.

Miss Evans
