On the pupil page is an ebook option

If you click on **Levels**, a drop down box will appear. Scroll down past the Oxford Levels until names of colour book bands appear. They relate to the colour of the book that your child is currently on.

You can choose a book from the book band below to purely practise fluency.

If you choose a book from the level that they are currently on, please be aware that your child may need more support with decoding and blending. Also ask questions about the book as you go along to check understanding.

There is a facility to listen to the story too.

Have fun exploring the website. If there are any issues then please get in touch.

Thank you KS1 team
