

LAXEY SCHOOL

YEAR 6

Hello year 6,

A timetable has been created for you to follow during your time self isolating.

You can find it [here](#).

It has been organised from Day 1 to Day 10 with lots of activities and learning planned for you. The timetable includes hyperlinks to each day within the year 6 folder.

Some of the subjects have their own hyperlinks which will either take you to a new folder or a website link.

Of course, some of the activities may not be completed within the timeframe given, that's ok! You can take as long as you need to and they can be carried over to the next day.

By completing these activities, you will be ready to continue learning when you return to school.

You can share your work with me through google and email your work or ask questions using my email address: rebeccawalker@online.sch.im

I'll see you in 2 weeks.

Mrs Walker.
