This is not an exhaustive list! The homepage of our school website has a live calendar of events - check it out!

DON'T FORGET

Swimming for Y4 & Y6

Exciting times for Year 4 and Year 6—our

swimming sessions have started!

Every Tuesday morning, the children will be heading to the pool, so please make sure they bring along their swimming kit, towel, and any other essentials they need. We can't wait to see them making a splash and having fun while learning this important life skill!

Swimming is such a fantastic way to build confidence, stay healthy, and of course, have a great time with friends!

Stay Connected!

Don't forget, all the latest news and events are updated on our school website, including a live calendar so you can keep track of everything happening here at Laxey School! We're also very active on social media, and it's our main method of communication, so make sure you're following us on Facebook and Twitter (X) for all the latest updates. It's the best way to stay in the loop!

Laxey Mhelliiah - Save the Date!

Mark your calendars! Our famous Laxey School Mhelliiah is happening on Saturday, 9th November. It's always such a special event, full of fun and community spirit. More details will be shared soon, including ticket information, but be sure to save the date! We can't wait to see everyone there!

Message from Mr Kelly

Hello and welcome back to all our amazing staff, pupils, and families! I trust you all had a wonderful, relaxing summer break and are feeling refreshed for the new school year ahead. This is our first newsletter of the academic year, and I'm thrilled to share it with you. Starting in October, we'll be back to our regular monthly newsletter schedule, publishing on the first Friday of each month.

In addition to the newsletter, we'll also be picking up with our social media updates—it's our way of giving you a glimpse into the daily life of Laxey School! If you haven't already, please make sure to 'like' us on Facebook and 'follow' us on Twitter (X) so you don't miss out on anything exciting. From fun classroom activities to special events, we're always sharing something worth seeing!

I'm also delighted to say that our new pupils have been settling in beautifully. The sound of laughter and chatter in the hallways has been infectious! A special shout-out goes to our wonderful new Reception children, who have been blending right in and making a fabulous start to their school journey. It's so heartwarming to see all the new faces getting involved and thriving already. To all our new families—welcome to the Laxey School community! We are so happy to have you with us!

Remember, if you ever have any questions or concerns, or even just want to chat about how things are going, Mr. Astin and I are always here for you. Don't hesitate to reach out; we're happy to help in any way we can. Best wishes as always, Max Kelly, Headteacher.

School Photographs

Mark your calendars—school photos are coming up soon! On Monday, 30th September, Andrew Barton will be joining us for a full day of school pictures. These will include individual, class, and family group photos, so make sure everyone comes dressed smart and ready to shine!

Family group photos with older siblings (secondary school) or younger siblings not yet at Laxey can be taken from 8:30 am—just drop by the Community Entrance, and Andrew will arrange everything. Proofs will be sent home for you to order (no obligation to buy), so keep an eye out for those.

Wet Mornings Reminder

With autumn just around the corner, here's a quick reminder about our wet morning arrangements!

On very wet days, we will open the school 10 minutes earlier at 8:40 am to let the children in. Please note that the school takes responsibility for children from 8:50 am on normal days, so please avoid dropping them off too early. Thank you for your cooperation in ensuring a smooth start to the school day!

Rock Kidz are Back!

We're thrilled to welcome back Rock Kidz on Wednesday, 2nd October! This year, they'll work with all of our pupils on key themes like resilience, wellbeing, and anti-bullying—all through the power of rock music! The children absolutely loved this event last time, and we're sure they will be even more excited this year! Keep an eye out for more details coming soon!

Tomorrow

Congrats to our pupils for their fantastic entries in the Young Farmers Show! See their work tomorrow at Laxey Working Men's Institute, 1:30-3:00 pm.
