e-Safety Policy

Learning - It's Up To You

Intended Outcomes

- To be safe in an online environment

Learning and Teaching

All learners will:

- Use ICT devices only when an appropriate adult is in the room
- Report any concerns about the content of websites viewed through the DoEC's web filtering system
- Avoid publishing personal information online
- Never publish a photo and a name together
- Only publish or post kind words
- Report any threatening or abusive language
- Delete images from devices within 48 hours of capture
- Keep their own passwords to the Cloud and their google drive and share those passwords only with their class teacher and parent/carer
- Take complete responsibility for the safety and use of personal devices in school
- Use personal, 3G enabled devices for curricular activities only
- Accept and abide by sanctions (which include limitations to access, parental involvement and disabling of online accounts) for misuse of any ICTs on school grounds

Teachers will:

- Log any inappropriate content accessed through filters and report it as soon as possible to DoEC and always on the day of the incident
- Store sensitive data in accordance with The Department of Education and Children's Data Protection Policy and will be recorded, processed, transferred and made available according to the Data Protection Act of 1998
