

# Hello Class 1

Hi everyone!

How are you all doing? We hope that you are all well and enjoying some time at home with your families. I'm sure you are keeping busy with lots of fun activities and we especially love seeing your photos and videos on the school Facebook page, so keep sending them in to Mr Astin.

I was cutting my grass the other day and along came Milo with his daddy. They had been out for a walk in the sunshine. Milo has been building a 'bug hotel' in his garden and collects twigs, bamboo and acorns on his walks to put inside it. What a great project!

I have been doing some gardening, cutting my grass and hedges, and planting some seeds for the summer. We have also been going on family bike rides for our daily exercise (making sure we don't go near other people, of course) and playing games in the garden.

Alfie has made 'yummy' chocolate brownies, done puzzles, played with Lego and practised his reading, writing and maths. He's not very happy that his mummy is a teacher!! We are also reading a book called 'Bad Dad' by David Walliams. It is very funny!

Miss Liggins has been busy working in the Countryside Hub at Bunscoill Rhumsaa and enjoying a bike ride in the evenings.

We hope that it won't be too much longer before we can all see each other again, but for now, remember to keep washing your hands and stay at home as much as you can. We miss you all!

Take care.  
Mrs Phillips and Miss Liggins

PS We would love to hear about what you've been up to so keep in touch and maybe write us a letter. See you all soon!
