

Laxey School
Extra Easter Challenges 2020
Year 1 and 2

Don't forget to post pictures of your learning on our facebook page or send them to Mr Astin at craig.astin@sch.im Mrs Phillips, Miss Liggins & Mrs Kerr can't wait to see them!

Art
Technology

- Make some Easter treats with your family.
- Create your own Easter egg or Easter bunny using Lego, construction toys, junk modelling or arts and crafts.

Science

- Make a boiled egg superhero. It will need a parachute!
Predict how many seconds it will take for your superhero to reach the floor from the top of a chair/slide/garden wall. Now record how many seconds it takes.
- Go on a scavenger hunt. Find something... red, long, soft, smooth, rough, man made, round, that has a smell, that came from a plant, that makes a noise. You could draw pictures and label what you find.

Reading
Writing
Maths

- Ask your grown ups to write some clues for an Easter egg hunt. Your challenge is to READ the clues and FIND the eggs!
- Enjoy reading and listening to stories with your grown ups.
- Make a book about the Easter bunny.
- Make a circle from stones, a triangle from twigs, a square from leaves and a rectangle from fruit.
