

## Laxey Learners at Home this term . . .

### Maths Skills and Challenges

- \* Investigate and discuss units of measurement for length – millimetres (mm), centimetres (cm), metres (m) and kilometres (km). Find objects around the house – which unit of measurement would you use to measure them? Use a ruler to measure them accurately.
- \* Investigate and discuss units of measurement for mass.
- \* Find fractions of a set amount of objects and shapes  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ ,  $\frac{1}{5}$  etc. Count up and down in tenths.
- \* Tell and write the time from an analogue clock.

### Literacy Skills and Challenges

- \* Spelling practise
- \* Handwriting practise – make sure you focus on the correct letter formation.
- \* Reading practise – discuss the book, comic, recipe, magazine, newspaper article or any other type of text and ask/answer questions based on it.
- \* Act out a scene from your favourite movie.
- \* Describe your favourite film – why is it your favourite? What do you like about it? Is there anything you would improve? Which is your favourite character and why?

At the Movies!

Year 3

Summer Term 2020

### Other Skills (Activities)

#### Art and Design

- \* Create a prop for your favourite movie. Find materials around your house to help you.
- \* Design and create a scene from your movie using materials from around your house.
- \* Observe your favourite character and draw them accurately.

#### Cooking

- \* Design and make the perfect snack for your movie.

#### Geography

- \* Research the country that your movie is set in. Create a fact page giving information about it. How could you travel to the country? What route would you have to take and which forms of transport would you need to use?

### Message from Mrs Walker

Sadly, we are not back at school yet. I am missing you all dearly and I hope you are making the most of this great weather. As you are such fantastic, independent learners I know you will want to continue learning at home. This topic is all about your favourite movie. Each of the activities are related to that movie. Remember to share all your learning with Mr Astin by emailing it to him. I can't wait to see all of your movie themed learning. Take care and speak soon, Mrs Walker.
