# Hello Year Three!

Hi everyone,

I hope that you and your families are all well and enjoying your time together. I bet you all received lots of delicious Easter Eggs, try not to eat all the chocolate at once. 😊

The weather has been wonderful over the last few weeks. Have you been outside for some fun in the fresh air (remembering to social distance, of course!)? It is really important to spend some time outside so we have been making sure that we get our daily exercise in the sunshine by walking our dog, Amber once a day - they need fresh air and exercise too!

We have been looking after the horses as usual. Here is a silly picture of Bassy (right) to make you all smile. He is waiting for a kiss after his breakfast.

How have you been managing to stay fit? In our house we have all enjoyed taking part in PE with Joe through youtube. It is great fun!

I have also been spending time learning to bake so that I can make more than chocolate crispy cakes. 😊 I am having to fail well and sustain effort as I am finding it stretchy, but I won't give up.

I have really enjoyed seeing the pictures and videos of you on facebook that you have been sending to Mr Astin. It has been great to see all the fabulous activities you have been completing at home. Please keep them coming in.

Remember to keep an eye on Laxey School's facebook page or website as we will be adding more activities for home soon.

I hope it won't be too much longer until we see each other again. We will have such stories to tell.

Stay safe, keep washing those hands and don't forget to keep having fun with your families. I will see you all very soon!

Take care,

Mrs Walker 😊
