

Laxey School
Extra Easter Challenges 2020
Years 3 & 4

Here are some extra Easter related challenges for you to have a go at if you wish.
You can post pictures of your finished piece on the facebook page or email them to craig.astin@sch.im

Art

D&T

- Create a 3D daffodil using an egg carton and cardboard from a cereal box.
- Create a spring animal using a toilet roll tube.
- Observe a spring plant and draw a diagram of it with labels.
- Make some Easter treats with your family e.g shredded wheat chocolate nests.
- Make your own paintbrushes with materials from the garden.
- Build an Easter egg / bunny using Lego or other construction toys.

general

Rather than a typical egg hunt, you could create a treasure hunt around the garden/house for your family.

Think of clues that everyone can solve e.g.

1, Find me in the kitchen, I'm a big cold white appliance. (fridge)

2, I make a ticking sound and tell you the time. (clock)

Think about the prize at the end. It doesn't have to be chocolate, you could offer to make their bed for a week or read the bedtime story to your little brother or sister.

Remember that kindness goes a long way!

writing

- write a diary - imagine that you are the Easter bunny. write a diary entry explaining your journey. was it successful or was it disastrous? Remember to include lots of detail.
- Poetry - create your own acrostic poem around an Easter theme.
