Friday 15th May 2020

Dear Parents and Carers,

I am just writing to keep you all updated with what has been happening at our hub this week.

Once again, the children have been very busy all week. They have enjoyed English and Art activities linked to 'Commotion on the Ocean' or 'The Enormous Turnip'. Some have created rainbow sun catchers or finger puppets, whilst lots of the children enjoyed painting with watercolours of places around the Isle of Man. One group took part in

some gaming awareness activities and even designed their own video games!

When the weather has been favourable, the children have been enjoying lessons outside. As always the teachers are trying very hard to plan a range of activities that all the children will enjoy.

Our MSR coaches and the I-Cue football coaches have been in the hub this week. They prepare fun weekly sessions, which really get the children moving around. One highlight for some children this week was being able to enjoy a game of table tennis. We just want to take this opportunity to thank the coaches, who join us each week to help keep the children active.

Mrs Richardson is back in charge next week, and I'm certain she will keep you posted with a further update at some point.

In the meantime, please stay safe and well.

Kind Regards,

Anna Griffiths and Onchan Hub Team C
