

## Laxey Learners at Home this term (Further ideas to augment home-learning)

### Reception - Pirates

E-Mail: [kirstenevans@online.sch.im](mailto:kirstenevans@online.sch.im)

### Extension activities....

Hello Reception,

Here are a few more ideas you can do to help your learning at home....

- \*Play musical sounds/numbers/tricky words - on sticky notes or pieces of papers place these around the room. If the focus is numbers - play the music and when it stops call out a number and your child has to run to it. Repeat with other numbers.
- \* Try out our pirate maths games - find the missing numbers, count the animals and Captain Redbeards number hunt.
- \* Try out Captain Redbeards sounds and tricky words games.
- \*Bake pirate biscuits or cakes.  
(These resources can be found on the school website)

The Reception Team would love to see your learning. If you would like to share it with us please send it to [kirstenevans@online.sch.im](mailto:kirstenevans@online.sch.im)  
Love from The Reception Team.

### Possible weblinks

Here are some weblinks that you can access to help support learning your sounds, tricky words and maths.

<https://new.phonicsplay.co.uk/resources> It has some great games that you can access for free. There is even a pirates game called 'Buried treasure'

<https://www.phonicshero.com> This weblink has great games to help reading and spelling words.

<https://www.topmarks.co.uk/Search.aspx?Subject=16&AgeGroup=1> There are games to practise counting and recognising numbers.

Numberblocks - It is an online programme to help children understand numbers. It can be accessed on bbc i player or youtube.

<https://www.oxfordowl.co.uk> A great website that you can use to access books.
