

# Hello again Class 1

Hi everyone!

We thought that it was time to write another letter to you all to see how you are doing at home and let you know what we have been up to as well.

Last time we wrote, we said it would be lovely to hear from you and it was a great surprise to receive letters from James and Cory! Both boys have been very busy carrying on their learning and having lots of fun too. I was very impressed with your letter formation and sentences.

This week Miss Liggins and I have been speaking on the phone to your mums and dads (and some of you guys too!), and it has been great to hear about all the different things you are doing. Penny has learnt to ride a bike and Aalish has climbed up Snaefell! Lots of you are playing 'schools' and being the teacher. I hope that your teddies are staying focussed in their phonics groups! Conor is still really enjoying Pokemon and writing to his friend from football. Many of you are playing with your brothers and sisters in the garden and going out for walks. Miss Liggins and I are doing lots of walking too.

I wonder if you can guess from the photos what Alfie Phillips has been up to this week? Well, we came across a very nosy donkey on one of our walks and we have now cycled 200 miles in total! Star Wars puzzles, playing with diggers and dumpers, and drawing pictures are some of Alfie's favourites too.

As we are still not able to go back to school just yet, we thought it would be great to keep in touch a bit more. If you would like to send us photos of your learning or write a message telling us what you have been up to, we would love to see them. And don't forget to check your emails because we will write back to you! Our email addresses are below.

Well, it's time to go and make our tea so I must go. Alfie would like pizza but I think it's going to be sausage and mash! It's also time for Miss Liggins to put her feet up after a busy day working in the hub in Ramsey. Keep in touch everyone and stay safe. We look forward to seeing your photos and emails soon.
