

Laxey Learners at Home this term (Further ideas to augment home-learning)

YEAR 2 / Where I live LAXEY SCHOOL believe in a growth mindset and the development of smart learning habits SMILE CHALLENGE OURSELF learning can make you is hard feel good BE POSITIVE AIL WELL REFLECT make time with yourself earn from to improve and others nistakes

Extension activities....

*Write a story using <u>https://</u> <u>www.literacyshed.com/onceinalifetime.html</u> Watch the film a few times and retell the story to someone else-Have you got all the parts of the story in the correct order? Did you add detail and interest? Next-draw a story board for the story Use this as a plan to write the story. Make sure that you make it exciting with drama and suspense especially when the the rope snaps! (Resources on website)

*Odd and even numbers challenge-an investigation of number that will get you using your addition, subtraction and multiplication skills!

* Be a weather forecaster- watch some TV weather forecasts for some inspiration. Have a go at making a large map of the Isle of Man and some weather symbols. Write your own forecast for the next day and then get someone to film it for you!

Possible weblinks

*<u>https://www.literacyshed.com/</u> onceinalifetime.html

*Literacy resources for Writing on the Laxey website (Year 2)

* <u>https://new.phonicsplay.co.uk/</u>

*<u>https://drive.google.com/drive/folders/</u> 1fCGtCCWqBEQY8ZKHrzfCEMoy5spLXOCl

*Maths games <u>https://www.topmarks.co.uk/</u>

* <u>https://www.bbc.co.uk/bitesize</u>.

This site is great as there are lots of different areas of the curriculum that you can click on and access the learning. There is some work on Money that is there from April if you need some more work on that!
