

Hello!

My name is Mrs Knight and I am going to be your teacher! I am writing to tell you all about our Reception class and let you know how excited I am to meet you.

I love being in the outdoors and we are so lucky in Laxey that we have lovely waterfalls and woodland areas that we can walk to and explore. I love reading books and I hope you do too! We have lots of lovely books in our classroom and you can sit in our comfy reading areas to look at them.

Miss Smith is our experienced nursery nurse and is part of our Reception Team. She can't wait to meet you all too. She loves gardening and is always looking for children to help her with planting, watering and look after the vegetables and flowers. Do you like singing? Miss Smith loves to teach songs with actions and she is looking forward to sharing these with you.

We are so excited to show you around your new classroom. Inside we have lots of areas where you can explore with arts and crafts, create models with junk modelling and take on roles in the role-play areas. There are some great small world and construction toys to play with and some fantastic resources to help support your maths, reading and writing.

Outdoors, we have had some new additions to our garden, including picnic tables, a sun cover and best of all...a giant sandpit! We also have lots of large bricks to show off your building skills, mud kitchen, bikes, scooters and lots more for you to explore.

We love working at Laxey School and I know all the teachers and children will help you feel welcome, safe and happy.

We look forward to meeting you. See you soon!

Mrs Knight and Miss Smith
